We are looking to recruit enthusiastic Early Years Practitioners for this thriving nursery. You must be passionate about working with children, have an excellent understanding of the EYFS and committed to providing an outstanding service.

Early Years Practitioners must hold a level 3 qualification or higher.

To be successful for this position:-

- You must hold an NVQ Level 3 in Childcare or equivalent
- You will need to demonstrate your commitment to children at all times taking into consideration their wellbeing, safeguarding and development.
- You will need to be an excellent communicator and demonstrate a professional level of written communication skills.
- You will need to have the ability to work with colleagues to make positive changes within the Nursery following the EYFS.
- You will need to demonstrate your ability to work in partnership with families.
- Our ethos is that we all contribute, we all benefit, you will therefore need to have the ability to work on your own initiative as well as actively participate with the wider nursery team.
- Previous experience of working with children in early years, and being a key person is desirable.
- A First Aid certificate would be desirable.
